New drive-thru café for South Toowoomba

Popular local drive-thru coffee and gourmet café, Pump, is set to launch their new Pump Xpress concept store in South Toowoomba next month.

Construction of the \$5m redevelopment and expansion of the Shell and Coles Express site on the corner of Ruthven and Alderley Streets is well underway and on target to open for trade in late September.

The local café, currently operating at two Toowoomba locations in Russell Street and Taylor Street, has been serving up its tasty gourmet food and quality coffee to locals since 2011.

Pump owner Tracie Batzloff said she is thrilled to be opening the new store, offering the same home-cooked home-style food Pump is renowned for, with a strong focus on fast, fresh, healthy food to go.

"Our loyal following of regular customers can continue to enjoy the quality drive-thru and casual dining experience that Pump is known for at the new Pump Xpress store," Mrs Batzloff said.

"We are consistently complimented on our exceptional customer service and look forward to bringing our warm and friendly dine in and takeaway service to the new store" she said.

"The Pump Xpress store will trade from 5am to 8pm Monday to Friday, 6am to 8pm Saturdays, and 7am – 8pm on Sundays, with seating capacity for 60 patrons."

Redeveloped by Toowoomba-based owner-developer Hallmark Property, the new Shell Coles Express site has been reconfigured to offer an enhanced customer experience with the latest service station technology, 24-hour fuel and convenience shopping, dining and takeaway food options, and drive-through coffee.

Heath Knox of Hallmark Properties said they are excited to be re-opening the site next month.

"We are pleased to have an iconic local brand such as Pump café on board, expanding their Toowoomba offer," he said.

"The strong long-term commitment by Shell Coles Express has signaled confidence in the ongoing success of the development and the Toowoomba economy."

Shell Coles Express is a valued brand in Toowoomba and existing customers will still be able to redeem Coles fuel docket and collect Flybuis points at the redeveloped service station," he said.
